

PRESIDENT

Ketul Patel

If there were few things you can change about this school, what would those be? Lack of guidance and funding to thesis students, excessive fees for co-op students, limited courses options for graduate students. My name is Ketulkumar Patel, I am pursuing my Masters in Industrial System Engineering and running for President Position in Graduate Student Association. In my past, I have successfully participated and guided in different councils and also have about 2 years of industrial experience which make me a qualified candidate for this position. As your president, I would definitely like work on above mentioned issues, in addition to those; would arrange more frequently social events and resolve maintenance fee issue. If elected, I will continue to fight for justice, transparency and equality for our student body. With my experience and passion, I believe I could be a great leader. I promise to do my best to increase student interest in the school and increase overall academic achievement.

PRESIDENT

Kishore Bommavaram

I am currently pursuing MASC in Process System Engineering at the University of Regina. I did my bachelor's in Chemical Engineering from Amity University, India. I did my research in wastewater treatment during my undergraduate and continuing my research in wastewater treatment in masters also. I have been elected as an Executive of Council in URSU from the Faculty of Engineering and Applied Science, where I advocate students for various issues that would relate to the tuition fees and courses. I have also been elected as VP-student life in GSA, where I supported student issues such as the additional administrative fee for Co-op students. I believe my experience would bring the best for the President and actively take part in the betterment of the GSA.

PRESIDENT

Md. Shahadet Hossain

My name is Md. Shahadet Hossain, 2nd-year master's(thesis) student in computer science. I am working as a Teaching Assistant from January 2019 and currently working as Lab Instructor of the Computer Science department. Being a graduate student for the last 1 year and 7 months I have experience in participating in different events of URGSA and FGSR. I would love to represent the interests of the graduate students of the University of Regina to the whole university community and the administration of the university. Being a graduate student, we have greater responsibility to pursue and work on the overall interest of the whole university community. I believe I can achieve this goal and fulfill this responsibility by increasing the social interactions between graduate and undergraduate students and find out the common interests. I would like to work with university administration and FGSR to increase the supports and activities of URGSA and help FGSR organize more seminars and workshops for overall students' benefit. Besides TA/LA I am the president of the University of Regina Bangladeshi Students Club and represent my country to the University Community. I am also working as a peer advisor of UR International for the last two semesters. I believe I have a good experience in leadership and will gain more by working in the team of URGSA.

VICE PRESIDENT – EXTERNAL AFFAIRS

Jaimin Patel

I am currently pursuing my Masters of Applied Science in Industrial System Engineering at University of Regina. I did my undergrad in Mechanical Engineering from Vadodara Institute of Engineering, India. During my bachelors I had taken the role of the Student Representative where I have initiated and volunteered for various events for the different student clubs and many non-technical events. As being the student of U of R I have also actively took part in various volunteer services and my research focuses on value added products from recycling of plastics which would contribute for the betterment of the society. Currently, I am a vice-president External Relations of Graduate Student Association and I have performed various duties like Promoting URGSA and graduate student activities, Maintaining and updating the URGSA's online platform (website and social media), Communicating with Executive, Council, and general membership regarding issues relevant to the URGSA and graduate student, Conducting campaigns that are of interest to graduate students on a local, provincial, national, or International level and Acting as Recording Secretary for Executive meetings, Council meetings, and General Meetings. I would like to carry forward this position for next term with same enthusiasm and dedications and continue my contribution towards graduate student society. I believe that my experience of this term would bring the best for the VP External Affairs and betterment of URGSA activities.

VICE PRESIDENT – ACADEMIC AFFAIRS

Ishaq

I am Mohamed Ishaq pursuing my Master's in Environmental system Engineering. Prior to my graduate studies, I worked as a Production Engineer in Royal Enfield for the period of two years. In my undergraduate days I was elected as the Sports captain where my role was to look after all the inter and intra sports activities also in my leadership successfully organized the annual sports event, volunteering in various social events such as blood donation Camp, Food Bank etc. As a great team player, I was leading my college cricket and volleyball team. Enjoy playing various sports and love to travel.

If I am given the opportunity, I will work to improve the academic life for the graduate student by focusing on the enhancement of current academic standards and to create exciting opportunity for graduate students.

VICE PRESIDENT – ACADEMIC AFFAIRS

Mrigank Kumar

“Doing is a quantum leap from imagining”. I am currently pursuing Masters of engineering in Industrial and systems engineering UoR. From the very beginning of my undergraduate days I have been an active member of society, I have also served and renowned many clubs with my ideas and vision, I have been both actively and passively serving NGO Sakshar Rejuvenating Education for past 2 years. Back in my undergraduate days I have also served as a Treasurer for engineering student association managing finance for best and efficient conduct various events and mentored fellow colleague along the way. Also I’m sports maniac, book worm and social insect. Representing my former college soccer team brought sense of leadership and discipline in me these has further bolstered my devotion in un riddle the challenges faced in student committee. I’m running for Vice president-academic affairs. Through this position I will catalyze the problem addressing and solving process, and also create thriving environment of student and faculty interaction and through my experience I will also enhance the academic life of every university student.

VICE PRESIDENT – STUDENT LIFE

Isaac Adeoluwa Atayero

Isaac Adeoluwa Atayero is a graduate student at the School of Journalism, who is currently a member of the University’s ambassador program as well as a graduate teaching assistant. Prior to starting his studies at the University of Regina, Ade graduated with a first-class degree in Mass Communication from Bowen University. During his time at Bowen University, he served as a class representative in his second year, academic director in his third year and president of the department in his final year. He was also the president of The Crown Team, public relations officer for State Of Osun Student Association, a chorister and head of media for the publicity unit. On the day of convocation, he won the New Horizons Laptop Award for Adobe Certified Associate in Web Communication.

Ade has also worked as a journalist at Nigerian Entertainment Today and public relations manager, as well as run a successful creative content platform, TheArtOfAde.com. He worked at Nigeria’s foremost Public Relations agency, BlackHouse Media, as the youngest associate public relations consultant. He has worked on campaigns for prominent brands such as Viacom International (BET, Comedy Central, Nickelodeon, MTV Base and VH1), MultiChoice (DStv, GOtv, AfricaMagic Viewers Choice Awards, SuperSport, Big Brother Naija, MNet and Showmax), Nigerian Breweries, Access Bank and Livespot among others.

In 2018, he published his first book ‘Blacksmith’ in which his riveting short story is included. He is also a musician with an E.P., ‘Saved By The Sound’ and his 2019 album, ‘After Bells and Whistles’.

VICE PRESIDENT – STUDENT LIFE

Shrinath Manoharan

Currently I am pursuing my Masters of Applied Science in Industrial System Engineering at University of Regina. I have an Undergraduate degree of Mechanical Engineering from GRIET, India. My interest lies in the implementation of the new innovative ideas for to make the society a better place. I have been actively volunteering a lot of events in the University of Regina Student Ambassador program and also the off-campus events. Presently I am the Vice President Finance for the Graduate Student Association in University of Regina where I have prepared a financial records for the meetings and organized and funded various events on behalf of GSA. Taking the responsibility of Vice President Finance in URGSA had helped me improve my various skills. I would like to take up a new responsibility of Vice President Student Life for GSA and be the voice for various students in UofR.

VICE PRESIDENT – FINANCE

Jayveer Chavda

“CHANGE” is necessary and this time we will bring the change for better. My name is JAYVEER CHAVDA, I am perusing Master’s degree in Industrial Systems Engineering. I am currently working on my research and I completed under graduate degree back in INDIA. After my bachelor’s degree I worked in Industry where I have been through important financial decisions for the organization and that is the very reason why I am applying for “Vice President – Finance” position. I hope my past experience and “LETS DO SOMETHING FOR THE CHANGE” attitude will help the University of Regina Graduate Student Association and making me perfect fit for this position. I need your support, please vote for me and we together bring the change.
